6 weekly courses

At JDK Pub Jiving
you will be taught by
a qualified dance instructor

We dress in regular clothes
not 50's or 60's gear but
respect individual choices.

We enjoy socialising and having
fun in most forms, not JUST dancing

Our motto: "If you still aren't
the world's best dancer after six
weeks, but have a smile on your
face, then we've been successful"
